MARY ANGELA STRASSER, MFMC REPRESENTATIVE TO NFMC BOARD

I must have a split personality.

Like many of you, I have touchstone times and places in my life – places I need to visit on a regular basis. There's an untidy little office in the music department at our local community college where my teaching buddies and I set up our Festival "shop" each winter. There I am surrounded by habit, excitement, and friendship. My year would not be complete without it.

From that cubby, coffee is dispensed; questions are answered; and, ultimately, folders of rating sheets fall into teachers' eager hands. In it, news is exchanged with visiting colleagues and reports are prepared to the soft accompaniment of music being performed in the audition room across the hall. Through the walls comes a judge's muffled voice, giving encouragement and approval. In the totebag on the desk is our Festival's history. Decades of records of learning and growth and achievement. Seeing the names of those once-upon-a-time lads and lasses causes me to pause in my

task to smile, sometimes to wince, and to recall those teachers who labored with such intensity and purity of purpose to enrich their pupils' lives.

But for as much as that winter weekend is satisfyingly nostalgic, a need comes every summer for a time of renewal. Some lessons or travel, a class or workshop.

In just a few weeks, however, you will have the rare opportunity to extend yourself, to be both host and visitor when the National Federation of Music Clubs visits Minnesota for its 2006 Fall Session. This function has been over three years in

MORE inside

From the President

CHERYL SCHMIDT

As I gazed upon all those attending our recent all-member state meeting in May, I realized how fortunate we are to have so many dedicated members in the Minnesota Federation of Music Clubs.

Our thanks to the Great River Music Club members for hosting our fabulous state convention.

Thanks also to Mary Angela Strasser and the 2006 National Board Session planning group for their effort and their humor; to our Festival chair, Festival Cup chair, auditors and teachers who have made Festivals a huge success; to our dedicated treasurer, Nadine Berg; and to all the chairmen who have kept our scholarship and award programs flourishing. Thanks to the following who have agreed to accept state officer positions: First Vice-President Karen Erickson, Second-Vice President Pat Steege, Treasurer Nadine Berg, Secretary Paulette Massa, and National Board Representative Mary Angela Strasser. My personal thanks to everyone.

I cannot stress enough that MFMC members should attend the National Board Session scheduled for August 1—6, 2006. You will have the opportunity to see our national organization in action in Minnesota. Please review the enclosed Official Call and check out the exceptional educational workshops, pleasing and passionate performances, important business meetings and tantalizing tours you can attend. And please — if you can — volunteer to help at the registration desk. Donate your time at the registration desk and then attend some sessions. We all will benefit.

I want to remind everyone of our upcoming meeting on Wednesday, August 16. I recognize this is on the heels of the national convention. However, our state business continues and a summer meeting will facilitate attendance. A state meeting will be held in the morning with the new Festival meeting in the afternoon. Please make sure that your club president or representative attends in the morning and Festival site manager or Festival site representative attends in the afternoon. Both of these meetings are crucial to obtain information for your clubs and Festivals. Please see the enclosed registration — your response will ensure that everything is prepared for you at the meeting.

My best wishes to all of you as you enjoy the wonderful summer days and Minnesota mosquitoes. ☺

Cheryl Schmidt, MFMC president

MFMC Festival meetings

Festival site managers and teachers, you've asked:

- Could we have a Festival meeting where we receive all the information needed for our Festivals, with explanations and plenty of lead time prior to our event?
- Can we have a Festival meeting on the same day as the state meeting so I can attend both?
- Can we review Festival Bulletin rules?
- Can we receive guidance during our Festivals and Festival Cup process?
- Can we make reporting more efficient and consistent?
- Can we share our concerns and frustrations with other Festival managers and offer solutions?

In response to these questions, we've scheduled an annual Festival meeting from 1:00 – 3:00 pm during the MFMC state meeting on Wednesday, August 16, 2006, at the Lutheran Church of the Good Shepherd in Minneapolis.

Cora Barr, our new state Festival chair, will preside over this meeting and provide you with materials for your Festival, and more; Susan Hoolihan will propose a Festival Cup engraving process that will result in financial savings; and Nadine Berg will discuss the treasurer's part in this process. Future meetings will address concerns based on attendees' feedback.

All Festival site managers and record keepers (or Festival representative) will need to attend this meeting; hopefully the summer date will help accommodate your attendance. This meeting has been designed just for you. See you there!

Please remember that the Festival meeting is not a replacement for each club's required meeting-per-year. Festival eligibility requires attendance at one all-member state meeting annually. ☺

Minnesota pianist Nathan Twedt awarded the NFMC Festival Grand Cup

The 14th of May, 2006, was musically memorable to Nathan Twedt, his family and his friends for several reasons. First, Minnesota Federation of Music Clubs awarded the 18-year-old pianist the National Federation of Music Clubs' Grand Cup. Nathan earned this award through his dedication and excellence in piano performance as he achieved 79 Festival points representing 12 years of piano solo and 3 years of piano concerto participation. Second, he presented a solo senior recital at Mt. Calvary Lutheran Church, Eagan, MN. The recital featured music of Gershwin, Chopin, Joplin, and the first movement of Beethoven's *Concerto No. 1*.

Nathan participated in his first NFMC Festival piano solo Event in 1995. After 12 years and 14 more entries, he achieved a total of 79 Gold Cup points. The National Federation of

Re-cap of the May 2006 MFMC State Convention

CHERYL SCHMIDT, MFMC PRESIDENT

The MFMC state convention, held on May 5 and 6, at St. John's Episcopal Church in Saint Cloud, was hosted by the Great River Music Club.

Our state meeting began with MFMC business where many items were discussed and decisions made. One of the highlights was club president reports. Presidents and/or representatives gave summaries of their respective club's activities over the past two years. Our thanks to everyone who participated.

Our 2006 National Board Session planning committee met to finalize the many details surrounding Fall Session, the huge special event slated for August 1 – 6, 2006, in Minneapolis.

Our banquet was graced by the presence of Lana Bailey, National Federation of Music Clubs First Vice President, our featured speaker. A time of remembrance was held for MFMC members who recently passed away, and installation of new state officers was completed.

We enjoyed performances by Reed Tetzloff, and Jeffrey Kline. Mr. Kline, our Virginia Kendrick Composition Winner, performed his composition *Fall from Grace*. Wynn-Anne Rossi's compositions were performed by various musicians; a pedagogical workshop was held with Paul Wirth as presenter. Christopher Atzinger, our national Young Artist Winner, gave an outstanding concert. In addition, Christopher presided over a master class for young piano students.

Two honors recitals were held, and four Presidential Awards were presented.

The state convention was a wonderful event, giving us MFMC members the opportunity to re-connect with one another, meet new members, receive educational information and hear inspiring musical performances. We hope you will join us for future meetings. Meeting minutes have been posted on our web site. Log onto www.mfmc.net. ☺
